Roll the cubes.
Make a story.

Rory's
**Story
Cubes**®

How to play

When playing with family and friends take turns as the storyteller. The storyteller rolls all 9 cubes. Begin with '*Once Upon a Time*' and tell a story that links together all 9 face-up images. Start with the first image to grab your attention. Use three cubes for the beginning, three for the middle and three for the end of the story. There is one rule: there are no wrong answers.

My Hero: Roll three cubes and use them to create a character. Now roll all nine cubes and tell a story featuring your hero. What will happen when your hero finds herself at the pyramids in Ancient Egypt, or with a turtle for a sidekick?

Epic Stories: The first player rolls all nine cubes and weaves the opening chapter. Taking turns, each consecutive player adds a chapter to the story. The last player must tie up all the loose ends and bring the story to its epic conclusion. Add different sets of Rory's Story Cubes® to give your stories a whole new dimension.

Stuck for ideas? Pick your favourite movie, book or TV show. What new and imaginative stories can you spin using these characters and settings?

Use your imagination. Around the world, people are inventing their own ways to play with Rory's Story Cubes®. What fun ways to play will you discover?
