SPEEDY WORDS

Be Quick to Name
& Win the Game!

A game by:

TREO
GAME DESIGNERS

2-8 players
ages 6 & up

Contents

60 round cards, 1 category explanation card.

Aim of the game

To be the player with the most cards
at the end of the game.

Set up

Place the deck of cards in the center
of the table, category side up.

Playing the game

Each player, in his turn, flips the top card from the deck and places it next to it, letters side up. Each of the 3 letters appears in a different color. Only one of them matches in color to the category card revealed on the top of the deck. Players compete to win the flipped card by finding a word that begins with the matching letter and is compatible to the category. The first player to call out such a word wins the round and gets the card. If none of the players find a matching word, they turn over a new card. Then, whoever finds a word with the new card wins that card and the one before. The game continues to the next player that flips the next card, and so on, until there is only one card left in the deck.

Winning

The winner is the player that
collected the most cards when only
one card is left in the deck.
This card is not counted.
